# MASTERCLASS WORKSHOP

## PERCUTANEOUS SURGERY (+ECIRS) WITH LITHOCLAST TRILOGY

---

EMS and the Team of Clinico Universitario in Santiago de Compostela, Spain are delighted to have you for our 1.5-day program focused on percutaneous nephrolithotomy (= PCNL) and Endoscopic combined intrarenal surgery (= ECIRS).

The session comprises a combination of didactic presentations and live case observation on surgical techniques, tips & tricks, and medical management of stone patients.
