Swiss Urology Academy

Building confidence. Elevating endourology.

Providing professional education since 2014 

At the Swiss Urology Academy, we empower endourologists through education and connection – helping them to overcome clinical barriers, build confidence, and continuously elevate patient care.

Whether you are interested in Stone Management (PCNL, fURS, ECIRS) or in ThuFLEP, the Swiss Urology Academy offers you:

Expert-designed Masterclasses

A new curricula designed by **Dr. Janak Desai**, **Prof. Olivier Traxer**, **Dr. Ioannis Kartalas Goumas**, to promote widespread and safe adoption of techniques.

Immersive learning with World-Class Experts

Over 40 in-person Masterclasses every year, led by top KOLs, combining focused theory with live OR experience.

Ongoing support beyond the Masterclasses

Faculty follow-up session after each course, on-demand education through our website, and assistance in organizing proctoring services.

Exclusive access to the SUA Community

Connections with faculty and fellow participants, plus exclusive roundtables discussions invitations.

The **Masterclass** experience

Our Masterclasses are more than just a course, they are the beginning of a journey to learn, build confidence and connect.
